LOCAL NOTICE TO MARINERS 07/23

TEIGNMOUTH AIRSHOW 2023

Date of issue: 14 June 2023

All mariners are advised that on Saturday 1st July, the Teignmouth Air Show is expected to take place between the times of 1300-1800hrs.

The air show will involve a series of different aircraft displaying out to sea at various times between 1300-1800hrs. Individual aircraft display times will be confirmed nearer to the time.

During the aircraft displays a 'marine exclusion zone' for all vessels will be in place, as shown in the attached map.

Access in and out of the harbour will be suspended for all vessels but only during the individual aircraft displays and five minutes either side of each display.

This 'marine exclusion zone' will be patrolled by a number of safety boats, which will be clearly identifiable and who will be monitoring marine VHF channel 72.

In the interests of everyone's safety and in order for the air show to take place all mariners are advised to stay well clear of the 'marine exclusion zone' and listen to the advice of the safety boat crews at all times.

For further information on visitors berthing within the harbour please contact the Harbour Office on +44 (0)1626 773165 M-F 0900-1600 or the Duty Mobile number on 07943 722029 outside these times. www.teignmouthharbour.com
