TEIGNMOUTH HARBOUR COMMISSION – LOCAL NOTICE TO MARINERS 09/25
TEMPORARY NAVIGATIONAL BUOY NOTIFICATION

Mariners are advised that a temporary buoy has been installed in the mouth of the river to mark the Point spit, which has moved approximately 30-40 metres west of the Point Post lateral mark due to winter swells. The buoy is a green conical buoy, fitted with green SOLAS reflective tape, and illuminated with a light displaying Fl.G.2s.

The position of the Point spit is being continually monitored and if it continues to shift the buoy may be repositioned again. Mariners are advised to maintain a vigilant watch and pass with caution when entering or leaving the harbour.

This Notice cancels and replaces LNTM 07/25.

A handwritten signature in black ink, appearing to read 'R M J Parsons'.
