This is the 209th Anniversary of Shaldon Regatta, having started in 1817, with its strong foundation of traditions and objectives. Shaldon Regatta nevertheless has continued to evolve.

We own a fleet of six regatta rowing dinghies, six kayaks and 6 SUPs, together with our six otter sailing dinghies and three seine boats. These are all fully equipped and we encourage them to be used by allcomers whether local or visiting, in the appropriate events. Priority is given to those without their own rowing dinghies.

In the eight or so weeks leading up to the Regatta we have usually run classes on Monday evenings for children and novices wishing to learn or improve their rowing skills.

**Have you remembered to buy your draw tickets and ducks?
Please see conditions of entry on page 4**

Shaldon Regatta take SAFETY on the water very seriously, and we expect every competitor to make safety their number one priority. Our aim is to encourage people of all ages to use and enjoy the river and sea SAFELY, and we hope that we achieve this aim with a reasonable balance between the deadly serious and the numerous fun events, so that spectators and competitors alike may enjoy the Regatta to the full.

The CHARLES HULBERT TROPHY, CLARANCE CUP and DE VEY JUBILEE TROPHY are awarded to the young persons in different age groups who, in the opinion of the Committee, have put up the best overall performances throughout the Regatta.

Shaldon Regatta Association is totally self-financing and we rely upon your generosity and support to run the Regatta, which costs several thousand pounds per year to run, and we are offering a superb FIBREGLASS REGATTA DINGHY or £2000 CASH in our Grand Draw.

SHALDON REGATTA PATRONS - The Committee continue to be very grateful for the annual donations made by our patrons listed in the programme. If you are not a patron and enjoy the Regatta why not consider completing the application form within the programme?

IF YOU ARE ALREADY A PATRON - Please can we ask that you now complete the gift aid page if appropriate.

We extend our thanks to Devon County Council, Teignbridge District Council, Shaldon Parish Council and the Harbour Commissioners for the use of the beach and the harbour, also to the Devon and Cornwall Constabulary and our many friends both from within and outside the village who help us in innumerable ways every year.

Children and Vulnerable Adults

Shaldon Regatta Association ensures that all reasonable steps are taken to provide a safe environment for all those attending and competing in the Regatta. The welfare and well-being of all children and vulnerable adults attending the Regatta is paramount, and all children and vulnerable adults have the right to attend the Regatta in safety. Any concerns regarding the welfare of a child or vulnerable adult at the Regatta will be taken seriously and responded to appropriately. Please will parents or guardians notify the Committee of children whose photographs are not to be used on social media.

Shaldon Regatta Association has a Safeguarding Officer who will act as the point of contact for any concerns or allegations raised during the Regatta. The Regatta Safeguarding Officer is Sarah Phoenix.

Attendance at the Regatta

Shaldon Regatta Association requires that all children and vulnerable adults attending or competing in the Regatta be accompanied by an appropriate adult. Supervision of children and vulnerable adults remains the responsibility of their parents, guardians or carers whilst not on the water. Responsible adults are expected to know the whereabouts of their children and vulnerable adults at all times.

Where parents, guardians or carers do not personally attend with their children/vulnerable adults, Shaldon Regatta Association requires them to be satisfied that those in their care will be accompanied to the venue and be adequately supervised by responsible adult(s) acting on their behalf. We ask that, when making supervision arrangements, responsible adults bear in mind the public nature of the venue and the inherent dangers of water.

A full copy of the Shaldon Regatta Association Safeguarding Policy is available on request, online or at Committee Stand.

1.30 p.m. 96**GIG AND PUNT CHASE**

A supposedly light-hearted re-enactment of local history when the highly manoeuvrable but poorer Shaldon Punt with its pilot used to compete with the larger and sometimes faster, more affluent, Teignmouth Gig, for the business of piloting shipping into Port. Reliable Historians assure us that the Shaldon Punt regularly outmanoeuvred and outwitted the Teignmouth Crew.

HOW TO BECOME A PATRON OF SHALDON REGATTA

Founded in 1817 Shaldon Regatta is the oldest event of its kind held in Britain today. The programme may have changed over the years, but the principles behind the events have not changed.

It is the aim of the Regatta to encourage people of all ages to use the river and foreshore safely by combining a balance of 'deadly serious' races and fun events which are enjoyed by competitors and spectators alike.

Unfortunately it is expensive to put on the numerous events we run. Equipment has to be purchased and maintained, prizes allocated to the winners (and sometimes losers) for more than 130 events. One way in which you can help us is to become a **PATRON of Shaldon Regatta**.

To become a patron please complete the Banker's Order below for an amount of your own choice and return the form to **A. Williams, Shaldon Regatta, c/o Ness Gift Shop, Ness Drive, Shaldon, Devon, TQ14 0HP**. Alternatively the completed form can be handed to any member of the Committee or a person selling Regatta Draw Tickets.

Sign now; pay later. We do not want any money now as we will present the Banker's Order and in September each year your Bank will automatically debit your Account and send us your donation. Should you decide to stop donating you may ask your Bank Manager to cancel the Order at any time. Existing Patrons who wish to increase their donation are invited to complete the order below which will cancel any previous Order.
